8. Site — a site in the Internet information and telecommunications network that is identified by a domain name unitourn.com
9. Resource — a resource that allows users to maintain and use other functionality offered by the administration.
10. Rank – a system for increasing the user's capabilities within the service by performing tasks to increase the rank. The administration has defined five statuses: Beginner, Soldier, Expert, Pro, and Legend. The conditions for obtaining each rank are indicated on the main page of the site unitourn.com Resource unitourn.com.

4) Account Registration

1. A number of resource functions will be available to the user after registration.
2. For registration, the user provides the information provided by the registration form. If the administration has reason to believe that the information provided by the user is not reliable and up-to-date, the administration has the right to terminate access to the user's account or delete the account at its discretion.
3. The administration has the right at its discretion to prohibit the use of certain logins, and set requirements for the username and password (number of characters, allowed characters, etc.) In case of detection of the use of words (letter combinations) as logins, which can be regarded as affecting the rights and legitimate interests of the administration and/or third parties, the administration has the right to delete the user's account at its discretion or restrict access to it until the user brings the username in accordance with the requirements of the administration.
4. An account is created as a result of registration.
5. The user is responsible for the security (resistance to selection attacks) of the authentication data and confidentiality.
6. The user is responsible for all actions performed using the user's authentication data. All actions performed after authorization using the authentication information of the user, are

considered to be produced by the user, except when the user in accordance with the agreement, having notified the administration about the possibility of unauthorized access to and / or about any violation (suspicions about violation) confidentiality of its credentials.

7. 7. The user is responsible for possible loss or distortion of data, as well as other consequences of any nature that may occur due to the user's violation of the provisions of the agreement.

5) User Data

1. Technical data transmitted to the resource by the user's software, as well as other data transmitted by the user to the resource, will be available to the administration and may be used by the latter at its discretion by methods not prohibited by law, including for targeting advertisements displayed to the user.
2. The user profile information will be available to other users. the user has the right to delete and/or adjust the profile at any time by contacting the administration's support service.
3. The administration draws attention to the fact that the use of the resource, including registration, does not require the provision of information on the basis of which you can directly or indirectly identify a specific individual.

6) Suspending or terminating your Account

1. The administration reserves the right to suspend your account. The user and subsequently delete it if the user does not meet one of the following conditions of the resource administration:
 - if the user used any type of cheat codes during the period of participation in tournaments;
 - if the user passed information (login and password from the game lobby) about the tournament to third parties without the consent of the administration;
 - if the user disclosed false information about the resource unitourn.com in any possible sources;
 - if the user stopped using their account registered in the resource, namely, did not log in to their account for three weeks or more;

2. Termination of the user's account:

- the user has the right to delete the account by contacting the administration's support service

7) The rights and obligations of the User

1. *The user is prohibited:*

- to register a legal entity as a user;
- register as a user on behalf of another person;
- to introduce users to the confusion as to its identity or its relations with other persons;
- transfer information (login and password of the game lobby) about the tournament to third parties without the consent of the administration;
- perform actions aimed at disrupting the normal functioning of the resource;
- place ads and / or political campaigning, unless otherwise specifically not established by a separate agreement between the user and the administration;

2. The user is credited with a cashback from any (personal replenishment and winnings from tournaments) replenishment of the balance by a personally invited user. The size of the cashback is determined by the following formula:

- 3% of the Beginner rank;
- 4% of Soldier rank;
- 5% of the grade Expert;
- 6% of the Pro rank;
- 7% of the Legend rank;

3. The user must pay for participation in the tournament in order to use the resource.

4. If the user stops accessing the resource at the request of the user payment for the tournament made by the user can be refunded, except for the amount that was paid as a cashback to existing users of the resource from the amount of deposits to the user's balance.

5. The user is awarded bonuses for making game kills while participating in PUBG Mobile game tournaments. The amount of bonuses is determined by the following coefficient formula:

- The coefficient of 0.5% of the paid contribution to participate in the tournament is paid from the Beginner rank;
- The coefficient of 0.55% of the paid contribution to participate in the tournament is paid from the rank of Soldier;
- The coefficient of 0.6% of the paid contribution to participate in the tournament is paid from the rank of Expert;
- The coefficient of 0.65% of the paid contribution to participate in the tournament is paid from Pro rank;
- The coefficient of 0.7% of the paid contribution to participate in the tournament is paid from the Legend rank;

8. Rights and responsibilities of the Administration

1. The administration makes reasonable efforts to provide the Resource and promptly restore it in the event of technical failures and interruptions.
2. The administration does not verify the accuracy of the information provided by the user during registration, but reserves the right in exceptional cases to require confirmation from the user. Non-confirmation of information may be equated to the provision of false information and entail the consequences provided for in clause 4.2. agreement.
3. Upon receipt of an appeal from an authorized body, the administration is obliged to provide such an authorized body with the information it has about the user or related to the user.
4. The administration has the right to restrict the user's access to any of the resource's functions, as well as restrict or prohibit the use of the api, post links to third-party resources, and take other actions aimed at protecting the resource from the influence of factors that pose a real or potential threat to the users, normal operation of the resource and administration policy. The administration implements these measures on its own discretion and is not responsible for the possible negative consequences of such measures for the user or third parties.
5. The administration has the right at its discretion and without prior notice to the user to supplement, reduce or otherwise change the functionality of the service and the procedure for its provision.
6. Withdrawal of funds from the Resource is made within 48 hours after the User submits a request to withdraw the specified funds. The set period may be more than 48 hours if the User's request is received on weekends or holidays. Withdrawal of funds is carried out using the payment system resource unitourn.com installed on the website unitourn.com. Funds are withdrawn to payment systems VISA, MasterCard, QIWI Wallet
7. The administration, at its discretion, has the right to withdraw any rank received by the user upon detection that this rank was achieved by using cheat codes or other ways of increasing ranks not provided for by the rules.
8. The resource unitourn.com is not the user's tax agent, and therefore the resource user bears the responsibility of the resource user for paying taxes from accrued funds under the cashback program or for committing game killings while participating in PUBG mobile game tournaments.

9. Responsibility

1. The administration is not responsible for temporary failures and interruptions in the service, caused by their inaccessibility and / or loss of information. The administration is not responsible for any damage to any equipment, computer programs

or information caused or related to the use of the resource, including damage caused by the change of the resource in accordance with clause 7.4. agreement.

2. The Administration is not responsible to the user for any specific number of subscribers to his account, nor does it guarantee the receipt by the user of income from using the resource.

3. The administration is not responsible for the information distributed by other users of the resource.

10. Advertising

1.If the application is not specifically installed by a separate agreement between the user and the administration, the administration may place ads on the resource, including blog/community pages, without additional notice and without any compensation to the user;

2. The administration has the right at any time to change the method, type and amount of advertising placed on the resource.

3. Users advertised on online promotions and events, and changepriority user advertised on the resource of goods, works or services creates rights and obligations solely between the user and the entity implementing the respective goods, work, services or conducting a promotion or event.

4. The placement by the user of the advertising content on the resource (the promise to make such a placement) does not entail any obligations for the administration.
